

Transactive Energy Challenge Kickoff Workshop: TeMix Inc.

- **Area of Interest:** TE Retail Energy & Distribution Tariffs
- **Functionality / Capabilities:** Existing prototype TE Platform in cloud; implement TE interfaces to end prosumers, a distribution operator, & an ISO/RTO.
- **Proposed Scenario:** Demonstrate TE for high penetration distributed PV & storage.
- **Impacts/Why:** Understanding of TE retail subscriptions, spot transactions, & business/ regulatory model.
- **Partners Needed:** Retailer (competitive or regulated), distribution operator, ISO/RTO, & smart device providers.
